## **Rector's letter**

As we look out and enjoy the colours and vibrancy of new life and growth. We find the same vibrancy of growth and life in the church's calendar. Our stark churches during Lent, burst into fantastic displays of colour and life over Easter, my grateful thanks to all who helped in this transformation, which encourages us to remember our Lord Jesus' resurrection. At Easter was also lit the Paschal candle as a symbol of Christ's Risen life on earth among his friends. We light this symbol of Christ's presence at each service until it goes out on Thursday 14<sup>th</sup> May when we remember Jesus' Ascension into heaven. We then again, like the disciples, wait in anticipation for Pentecost of Whitson and the coming of the Holy Spirit with the sound of wind and tongues of flame.

In our waiting we look forward to welcoming our Lord Bishop, Donald of Peterborough, to our Benefice on Sunday 17<sup>th</sup> May, as he comes to lead and preach at St. Michael's Aynho. While he is here we will be asking Bishop Donald to dedicate the new rector's plaque in the Aynho church. We hope you will be able to join us at the service and afterwards for a 'bring and share' lunch.

Following the Festival of Pentecost on 31<sup>st</sup> May we celebrate the Holy Trinity, God as Father, Son and Holy Spirit. Our celebrations this year will take place at The Most Holy Trinity Church, in Hinton-in-the-Hedges as a Patronal Benefice Service, we hope the church will be packed. Simon.

## **Christian Aid Week 10<sup>th</sup> – 16<sup>th</sup> May**

From 10-16 May, churches the length and breadth of Britain and Ireland will come together to pray, campaign and raise money to improve the lives of people in need all over the world. Aid is given to people of all faiths and those of none. Every year, 100,000 volunteers demonstrate God's love for the poor by taking part in house-to-house collections for Christian Aid. This fantastic witness is a chance to take the mission of the church into your community.

Christian Aid collecting Envelopes are available in your local church. Please take enough for you to give out and collect around your neighbours. Envelopes and donations will be collected on Sunday 17<sup>th</sup> May at St. Michael Aynho when Bishop Donald joins us for our worship.

## **Why Christian Aid?**

**We know Jesus challenges us to love our neighbour. At Christian Aid, we believe he meant our global neighbour too.**

Because of God's commitment to justice and love for the poor, we can't sit back and allow poverty to thrive. So together, as thousands of Christian Aid churches, supporters, partners and staff, we work hard to save lives now and inspire lasting hope for the future.

We each bring what we have – our energy, our voices, our influence, our money, our time, our talents, our prayer and our worship – and use them to work towards a world that looks more like God's Kingdom. Coming together really works

We continually witness how giving, acting and praying brings about great transformation in Africa, Asia and the Middle East, and Latin America and the Caribbean. In emergency situations and committed, long-term development, we tackle the causes and the symptoms of poverty across the globe.

We choose our partners on the ground carefully, working with all kinds of local groups who see great need, and are innovative and effective in helping communities to change their situations.

## **How we spend every pound**

**For every pound we raise, we put 86p directly into fighting poverty.** Another 13p goes back into fundraising, so we can raise the next pound. The last penny pays for our governance costs, associated with the general running of the charity, ensuring we can keep going to help more people out of poverty for good.

### **Rev Shemil Mathew's Priesting at Peterborough Cathedral**

**4pm Saturday 27<sup>th</sup> June**

We hope as many people as possible will want to come and support Shemil and we now confirm that we will be hiring a coach for the event. The cost could be £10 - £12 depending on numbers going. Please sign up showing your interest in coming and/ or going by coach. Sign up lists are available in all Churches, alternatively please email [the.revd.simon@gmail.com](mailto:the.revd.simon@gmail.com) . Thanks for your support. Simon.

# St Michael's Church Fete Saturday 13<sup>th</sup> June 2015: Start time 1.00 pm.

I am sorry to say that despite my appeal for helpers in last month's newsletter, we have not had any response. There is still plenty to do and we **NEED** more people to help. I trust those who helped in previous years are still available. Contact no's are:-

Kathy White on 01869 810418 - [kathywhiteaynho@gmail.com](mailto:kathywhiteaynho@gmail.com)

Graham Gibbs on 01869 819727 - [aynhogibbs@hotmail.com](mailto:aynhogibbs@hotmail.com)

Anyone willing to donate any **vegetable/flower plants** or plantlets please contact Amanda Leigh or Amanda Limb by telephone and then deliver them to the stall on the morning of the fete. As both Amanda's are very busy in the week leading up to the fete can you ensure that any **plants** are potted up and properly labelled as to type and variety. Anyone who has any unwanted seed trays or pots please donate them to Andrew Bellamy at College Farm House for recycling to the Flower and Vegetable stalls in future years.

As usual there will be a **Tombola collection** around the village starting from the end of May. If you miss the collection and wish to donate please drop off any items to your collector or to any of the committee members. We are running a separate children's tombola this year so good **toys/books/games** would be useful. The more volunteers we have to make the collections the easier it is to spread the load. Please let Graham know if you can spare a couple of hours, perhaps just collecting from your own street and meeting all your neighbours.

Please contact Kathy if you have any **raffle prizes (no later than Wednesday 10<sup>th</sup> June)** or give them to the Tombola collectors when they call.

The **cake stall** is always very popular so can we put out a **BIG** request for some of you avid bakers out there to just make one extra for the fete. Please remember that all the tea and coffee drinkers also like a slice of cake with their liquid refreshments so we need as many as we can get. If you can let Barbara Watkins know if you can help that would be good but if not just bring them to the fete on Saturday morning.

Andrew Bellamy (810847) is organising the **movement of tables/chairs etc** at the start and end of the day so if he doesn't have your name already, again, please contact him as many hands make light work.

We have started making plans for craft stalls etc for the children (and adults) to contribute to the theme of the stained glass windows and I have spoken to some people willing to assist on the day. The good news is a grant from Viridor Credit has been secured towards the church window repairs but additional funds are still needed to complete the work within the next two years.

Why not get involved. Learn more about your church and your village; make new friends and have fun. **We have an open Fete meeting arranged for Friday 8<sup>th</sup> May at 7.00 pm at the Pavilion – everyone welcome - please come if you can.** Kathy

**All for your entertainment:**

**ARMS (Aynho Recorded Music Society) Wednesday 6<sup>th</sup> May 7.30pm** in the Village Hall  
Robert presented a highly varied programme with emphasis on serious and captivating modern interjections. Elgar's "Pomp & Circumstance" started the mood of straight backs and good posture! This was followed by Scott Joplin with his "Elite Syncopation", Chris Barber's "Petite Fleur" and Acker Bilk with "Strangers of the Shore" which dispelled all seriousness only to be resumed by two organ pieces by Bach. The first half was brought to a conclusion with hits from the film "High Society". The second half commenced with the amazing "Schergo" of Henry Litoff, Bizet's "Pearl Fishers" and Saint-Saens Organ Symphony preceeded the delightful Flanders & Swann's "The Hippopotamus" and the "Song of the Gnu". Thank you very much Robert for a most entertaining programme.

**PHOTOGRAPHIC SOCIETY – Wednesday 6<sup>th</sup> May 7.30pm** at the "Cartwright Hotel"  
The Annual General Meeting was held last month. Chairman Richard Broadbent reviewed the Society's progress over the last 12 months, noting that the twice monthly meetings (Club Nights and Workshops) had attracted 54 full members in the current year. Other activities included the Annual Photographic Exhibitions in Adderbury and Deddington, photographic support of community activities in both villages and also Aynho, photography for West Bar Surgery, a number of informal photo-shoots, the development of a new web site ([addphoto.co.uk](http://addphoto.co.uk)), the New Year dinner and a summer barbeque.

At the May meeting member Randall Miles will give a presentation entitled 'The Maasai Mara - animal and landscape prints.' The meeting start at 7.30pm, and will be held in the Cartwright Hotel, Aynho. Just come along and enjoy a very warm welcome.

**AYNHO WRITERS GROUP Saturday May 9<sup>th</sup> 10.0am-12.30** in the Village Hall  
At our April meeting we had some fascinating accounts of Great Aunts & Uncles from the saddest of struggles to shameful episodes of the distant past as well as wonderful entertaining eccentrics. These accounts were interspersed with amusing stories featuring Empty Chairs. For our next meeting Fiona distributed a wide range of portrait postcards to inspire the imagination or alternatively we could write on "Gardeners World"

**AYNHO GARDENING CLUB – Wednesday 13<sup>th</sup> May 7.30pm** in the Village Hall  
Aynho Gardening Club and the History Society are getting together for an evening in the Village Hall, for '**All things to do with Apricots**' which will be an interesting and entertaining evening, so please come and join us. Refreshments will be available. Members of the Gardening Club and the History Society will have free entrance and the costs for Guests will be £1. We look forward to seeing you there. The Gardening Club will have their usual table at **Maytime in the Square** on Saturday 16<sup>th</sup> May so come along and buy your plants for your borders and vegetable gardens. There will also be garden tools, etc, for sale on the stall.  
Our trip to Warwick to visit the Lord Leycester Hospital and the Mill Garden will take place on Wednesday 10<sup>th</sup> June. Please contact Jean Skuce, our visits organiser, on 810034. Cost of trip being £20 and this includes a light lunch.

**Contact: Annabel Bellamy Tel: 810847 or Kath Arnold Tel: 811868**

**AYNHO HISTORY SOCIETY**                      **Wednesday 13<sup>th</sup> May** 7.30pm in the Village Hall  
The Society will meet up with the Gardening Club to hear all about    **“Aynho Apricots”**  
**(Do note the change of meeting date”)**

**Magna Carta – The Aynho Connection**

You’ve probably heard that it will be the 800<sup>th</sup> anniversary of King John putting his seal on the Magna Carta at Runnymede on 15<sup>th</sup> June this year. What you may not know is that the Lord of the Manor of Aynho from 1212 to 1242, John FitzRobert, was chosen as one of the 25 barons to go to Runnymede to witness this event. The original Magna Carta is written in Medieval Latin, so virtually no one today can understand it. Aynho History Society has a copy of the whole document written in English. Please come to the Church Fete on Saturday 13<sup>th</sup> June on the Sports Field 1.0-4.0pm just two days before this anniversary. The document will be freely available for you to look at in the History Society’s display.

**ODE to MODERN LIVING    (does this ring any bells!!)**

I’ve mislaid my wretched car keys – lost the T.V.remote . Forgotten all my passwords, I should have made a note . Why is modern life so complex, I’m finding it hard to cope.  
It used to be so simple, but I must not give up hope.  
Now everything comes vacuum packed which keeps things nice and fresh But getting at the goods inside takes endless time and stress. You hack away with scissors and your high-tech kitchen knife                      You never thought a pack of pears could cause so much grief and strife  
I tried the self-service checkouts but every time I scan                      A voice says “Illegal item” on the product weighing pan. So its back to the normal checkout but now there is a catch You wait for 20 minutes                      as the bar codes never match.  
Modern cars are stuffed with gizmos, a real pain in the neck                      You’re only driving a family car not fighting Klingons in Star Trek                      Motoring can be lots of fun but don’t step out of line  
For there’s a thousand ways and counting of hitting you with a fine.  
There’s chicanes, pinch points, traffic calming, cameras on a pole, Bus lanes, wardens, radar guns and pot holes that swallow you whole.                      There’s 500 TV channels which sound rather neat  
But 90% of what you watch is simply a repeat.  
Phone calls really test your nerve, they’re out to baffle you Press one for this and two for that, you’re the tenth one in the queue.                      You hear Vivaldi and his Seasons, but the connection takes so long  
By the time you finally get through – summers been and gone.  
Don’t get me started on computers, as the jargon makes me sick                      Bluetooth, cloud and flash drives, firewalls and the memory stick . Laptops, tablets, I Pads, dumping files into the bin. Stylus pens and webcams all make your poor head spin.  
Now I do not think I’m stupid, but what makes me so irate                      Is when I’ve finally learnt the system, next day it’s                      **OUT OF DATE**

## BIODIVERSITY GROUP

### Mammal of the Month: The Brown Hare

The brown hare is a larger more athletic relative of the rabbit. It has yellowish-brown fur with grey tints and a white belly and underside of the tail. The ears are very long with black tips. Unlike the rabbit, the hare is solitary and lives entirely above ground. During the day it rests, sleeping in a form it makes by scraping out a shallow depression in the ground. This just fits its body when it is crouching low and may be against a hedge, in short grass, scrub or a ploughed furrow. When lying here with its ears laid flat, it is well-camouflaged. Spring is the main mating season when 'mad March hares' may be seen dashing about in a demented fashion, leaping in the air, chasing and 'boxing'. The boxing was originally thought to be males fighting over the females but it has since been discovered it is, in fact, mostly females fighting off the amorous males. The females have 2 – 3 leverets and up to 4 litters a year. They are born in a grass lined nest fully furred and with their eyes open. The mother then puts each leveret in its own form and visits them once every night to suckle them. While she is away they lie low and still to avoid detection by predators. When the mother is approaching she gives a low call and their answering calls help her to find them. The young are independent at about 3 weeks but may take 8 months to reach their adult weight. Hares eat large quantities of plant material and have a digestive system specially adapted to cope with this. During the day they produce soft faeces (droppings) which they then eat therefore digesting the food for a second time and extracting more nutrition from it. These faeces also contain bacteria which help to break down other foods in their stomach. Then during the night, hard, round faeces are produced. Brown hares have become increasingly rare and after the water vole is the mammal which has shown the greatest decline during the past century. As they do not hibernate and do not store large amounts of fat they need a constant food supply all year which can only be provided by landscapes rich in biodiversity. The intensification of farming has reduced this biodiversity, lessening the hare's food supply. The removal of miles of hedgerows has reduced its vital cover and more frequent silage cutting has become a major cause of death from the machinery. The increase in the number of predators (mostly foxes) may also be a significant factor in their decline. On average they live for up to 4 years.

#### Did You Know?

- A group of hares is known as a 'drove'.
- A brown hare can run at speeds of up to 45 mph and is, in fact, the UK's fastest land animal.
- Because the brown hare is able to adapt to a variety of habitats it is one of the most widely distributed land animal in the world.
- The male hare is called a 'jack' and the female a 'jill'
- It was believed that hares could only be killed with a silver cross and they were originally sacred.
- The brown hare was probably introduced to Britain about 2000 years ago for food and sport by the Romans.
- Illegal hare coursing is on the increase in some parts of the UK.

**Progress on road repairs** – Portway to The Butts. I have had it confirmed that the road will be repaired within the next 16 weeks.  
Frank Moore, Portway Gardens.

**Thank you from Rhiannan** for your support. To all my friends and neighbours from the village of Aynho I would like to say a huge thank-you for your generous donations and messages of encouragement for the Bath Half Marathan. It all helped. Also thank you to those members of my Mum's Book Club who donated – some of whom live in the villages around. I really enjoyed the day of the run and came just about mid-way among the 12,000 participants – so not too bad! Donations are still trickling in, but the total raised looks likely to be about £450.  
Rhiannan Austin.

**TALL SHIPS ADVENTURE!** Thank you very much to everyone who came to our Coffee Morning on 2 April or supported it in other ways. We raised an incredible £291 which, together with other generous donations and support, has helped us raise over half the money we need for our voyage in June. We feel very fortunate to live in Aynho, among so many generous and interested people. Look out for us at Maytime in the Square ... and don't forget that you can still order delicious, handmade Macarons from Sev (07952524033) and Harry is available for small odd jobs (810843).
