##### **S/2015/1485/FUL, Siting of mobile home (retrospective), Yard 9, Station Yard, Station Road, Aynho**

After hearing Cllr Burge's report it was agreed that APC would object to this application with the following comments –

APC does not support for the following reasons –

- 1) It is a commercial business premises and not residential
- 2) The mobile home suggested is not one that would be used as permanent residential accommodation
- 3) While we note the applicant has security issues, the need for a permanent residence on the site would not be required as security can be improved by other measures.
- 4) this would constitute residential development outside of the village confines

APC would like to add that we were surprised the residents at Aynho Wharf were not included in the consultation

The meeting closed at 7.20pm
