Rector's Letter

It is amazing that a year ago there was a new face on the block, we welcomed the Reverend Shemil Mathew as our new assistant curate to our five villages. Over the past year his new face has become a recognised face to many people as he has worked all over the place. From a familiar smile at coffee mornings to the organiser of Messy Church at Farthinghoe and Hinton. Now we are looking forward to the next stage in his journey when on 27th June he will be ordained a priest by the Bishop of Peterborough at Peterborough Cathedral. His ordination to priest is on top of his ordination to deacon, just as mine and all priests are. As a priest he will be given authority to conduct weddings, preside at communions and declare God's forgiveness and blessing. A whole coach load of parishioners will be going to Peterborough Cathedral to support him there. For those who go and those who cannot make the journey, Shemil will preside at his first communion on Sunday 28th June at 11am (**a slightly later time than normal**) at St. Michael Aynho, and this Benefice service will be followed by a lunch in Aynho Village Hall. Exact details will be given out in the weekly Pews News. If you would like to receive an electronic version of this each week then please email: Astwick.vale@gmail.com with Pews News in the subject line and we will send you a regular copy.

June is also a time of change for the church, At the end of May we celebrated the Coming of the Holy Spirit and the change that brought to the early church. Now in June we enter into the season of Trinity, when we celebrate that great mystery of God in three persons, Father, Son and Holy Spirit. And yet still hold true to the first of the Ten Commandments that there is only one God.

St. Patrick is said to have explained this as the three leaves of the shamrock, yet it being one plant.

Others have said it is like a person who is a father to their children, a husband to their wife and son to their parents; father, husband, son, three people but in one person. As Christians we see God as the creator of the world, Jesus as the saviour of the world and the Holy Spirit as God's working in the world today.

To me complete understanding of the mystery is not important, for I believe it is beyond us. But the words often heard at a wedding from St. Paul's letter to the church in Corinth sum it up very well.

Now these three remain, faith, hope and love and the greatest of these is love. I invite you to come and join in our worship to the God of Love, shown in Jesus and alive and well in the world today.

God Bless Simon

SUMMER HOLIDAY CLUB – 27th – 31st July

Plans are now underway for the Summer Holiday Club and sadly and understandably some long serving team members are stepping down from a full time commitment after up to 17 years service. We want to thank them for all they have done in the past for the children of the benefice.

We would welcome more experienced or qualified leaders to join our team as well as team helpers to assist those who would be teaching and leading. **With more helpers and leaders we could increase both the age range and the number of children.** If this is something you might like to be involved in please contact any of the team ASAP. Keep an eye on the Pews News to see if ages and numbers change!

Carrie O'Regan 01280 702300, Helen Boswell, Simon and Heather Dommett 01869 810903. Shemil Mathew 07401 587151.

AYNHO'S VE DAY CELEBRATION

Three Aynho octogenarians answered the call to commemorate the 70th anniversary of VE Day last Saturday 9th May by ringing St Michael's bells.

STOP PRESS: The collection for "Christian Aid" at our Benefice Service May 17th amounted to £390 of which just under half that amount was Gift Aided. Thank-you to you all.

St. Michael's Church Fete Saturday 13th June start time 1.00

Following on from the previous Newsletter entries I would just like to list a few reminders for the fete and lodge a final appeal for helpers.:-

Please ensure that any plants are potted up and properly labelled as to type & variety.

The collectors will be calling around in the first two weeks of June for the Tombola Bottle stall. If you also have any unwanted items suitable for the Children's Tombola (e.g. bottles, cans, toys, books, games, unwanted gifts) we will be pleased to receive them. .

Raffle prizes please pass them to Kathy White.

We really need as many cakes as possible – both for the cake stall and for people to enjoy with their tea. Please let Barbara Watkins know if you can help.

Andrew Bellamy is organising the movement of tables/chairs etc at the start and end of the day so if he doesn't have your name already, please contact him as many hands make light work.

Can all helpers please meet at the Village Hall at 9.00 am on the Saturday it usually only takes an hour or so. If you can't come at 9am then 10 am on the sports field for half an hour will help too!

My final appeal is for helpers to erect the large Marquee as we struggled with it last year. If we can have some strong people to share the load, it will not take much of your time.

**If you are able to help please let me - Kathy- know or if you find yourself
available at 5.00 pm on Friday 12th June, just turn up.**

Many thanks in advance. Your help makes all the difference!

Gigaclear Installation – Progress Update

The installation of the Gigaclear Ultrafast Broadband network started as planned on 20 April and has now be in progress for 5 weeks. It is expected that it will take another 3 weeks to complete the installation. The construction (digging the trenches and laying fibre optic cable) of the network is being carried out by **Prior Construction** – led by Glen Prior. Some residents will have already met him – but as the works approach your household please do make contact with him if you have any concerns. Whilst there will inevitably be some disruption he is keen to minimise it. The actual connection of the 'pots' to the junction points and the Cabinet on junction Portway/Charlton Road is being carried out by **Boxcom**. There were some issues at the start of the works – lack of cables – which was not Prior Construction's fault – which delayed the works on Charlton Road and The Butts. This has now been resolved. Likewise there were some issues over lack of written notice being given to households but this should also have been resolved now. The location of the 'pots' outside houses will be marked with red ink. Finally some works will be carried out at weekends. Prior Construction has already started the reinstatement works. As the project continues there will be a 'snagging' list and so if you have any concerns about reinstatement in your road could you email Sadie with a description and if possible photo.

Cont/.

Gigaclear cont/. Some residents are keen to get a service as soon as possible – so when will you be able to get a live connection? Gigaclear will notify those residents who have signed up for the service the procedure for installation – but at this stage it expected actual live connections will be start to me made until late July If you have not signed up you can do so at www.gigaclear.com. There will also be a demonstration of the service in the Village Hall once the connection is live.

Finally the Parish Council would like to thank all residents for their patience during the construction of the network which can be disruptive for a couple of days and it is appreciated that not all residents have signed up at this stage for Gigaclear. It is also encouraging that we have received a number of positive comments concerning the quality and speed of works being undertaken by Glen and his team.

If you have any concerns please do email the Parish Clerk (sadie.patamia@aynho.org) or simply speak to Glen leading the construction team working in the village.

BIODIVERSITY GROUP

Bird of the Month: The Pied Wagtail

The pied wagtail is a small, long tailed black and white bird which can be seen dashing about over lawns or car parks in search of food. During the winter, at dusk, they flock together at warm roost sites like reed beds and sewage works or trees and bushes in city centres. Warm places are hard to find so they are happy to share especially as there is the added bonus of safety in numbers. These roost sites also act as an information exchange. Birds having difficulty finding food simply follow the ones that are in better condition in the morning!

They nest from April onwards and the males are very territorial at this time even attacking their own reflections in wing mirrors and hubcaps of parked cars. The female alone builds the small cup shaped nest out of grass and mosses in ivy, holes in walls, under roofs or even in old nests of larger birds. She then lays 3 – 7 pale grey eggs and incubates them. After about 14 days the eggs hatch and both birds feed the young who fledge after 13 – 16 days. At this stage the juveniles are brownish-grey and often tinged with yellow. Wagtails eat insects but will feed on seeds and even rubbish in the winter. When catching prey in flight they zig-zag, tumble and circle using their tails as a rudder. No one is quite sure why they constantly wag their tails but amongst the suggestions are; a way of signalling to others, to flush out insects or as camouflage when hunting next to flowing water and riverside vegetation. Pied wagtails along with their cousins the white wagtail are the most widespread breeding birds in Europe, breeding everywhere from Iceland and arctic Norway south to Andalucía and Sicily. Such widespread breeding is an indication of this wagtail's adaptability, for it is just as happy in high mountain valleys as city centres. Pied wagtails are on the green list of birds not endangered.

Did You Know?

- Other names for the pied wagtail include Polly washdish, dishwasher, Penny wagtail, water wagtail.
- The biggest wagtail roosts may have as many as 4,000 birds.
- Buckingham Palace supports a wagtail roost.
- On average during the winter daylight hours they eat a small item of prey every 3 – 4 seconds
- Though the pied wagtails in southern Britain are largely sedentary, northern populations migrate considerable distances

***APRICOT BUSINESS NETWORKING** Monday 1st June 2015. 8.0am at the CARTWRIGHT HOTEL, This will be the first meeting of this new group to enable local businesses to meet and chat in a friendly and relaxed environment. There is no subscription, therefore no permanent commitment, with a monthly meeting and only £10.00 for your choice of breakfast. *Why would you not attend?* All you need is to register your wish to attend and your choice of breakfast – Full English, Full Veggie, Continental to lesleygrant@aol.com or call 07793286404.

*** We are having a GARAGE SALE at COLLEGE FARM HOUSE – AYNHO***

SATURDAY 4th July 10.0am – 2.0pm. Bits & Pieces from House Move – Cash Sales

From the Pavilion

Playtime & Chat. For all the parents in the village of little ones from bump to toddling, a few of us from the local area meet up at the Pavilion on the sports field for a get together over a cuppa and a chance for the little ones to be little ones! We are meeting on Friday mornings from 10.0am-12pm, if you would like to join us feel free to come along. Look forward to meeting you.

Sarah McLaren 07900913513 or Facebook www.facebook.com/sarah.mclaren.25.

ASRA

Maytime in The Square – thanks to everyone who supported and helped organise our annual village event and the barn dance in the evening. Almost £500 profit was raised on the day for ASRA and how lucky we were with the weather this year! **YOUTH MEET** - At our committee meeting last month we had an idea to run a Friday Youth Meet in the Pavilion, initially maybe once a month for 12 – 16 year olds. If anyone is interested in helping us do this please get in touch with Kay on 810019. This will only happen with help from adults!

PAVILION MAINTENANCE - Sunday 7th June 3 – 6pm is pavilion maintenance afternoon. Come and help us spruce up the pavilion and surrounds in time for the fete the following week. All equipment supplied and refreshments provided, even if you can only help for an hour we would be grateful.

ACT - Aynho Community Theatre has been put on the backburner for a year or so after our unsuccessful attempt at getting a couple of productions off the ground due to lack of directors and available actors. The group has funds, equipment and costumes and all that is needed is some willing people to take on a production. If you have any interest or want more information, please contact Kay on 810019.

The Horley/Battleys are back in their home on Portway!

It's been a long 6 months but we are grateful to be home which is shiny and new (but we're sure the children and grand-children will make sure it looks like it used to soon enough). We would like to thank the Boswells for their unsurpassed hospitality as they made their lovely cottage "home from home" for us during a very traumatic time. Many of you stopped to offer help with rooms, clothes etc and your generosity meant so much to us then and it's not forgotten. Aynho is a very special community which we are privileged to be a part of and no amount of Morris Dancing or other dodgy village engagement will ever pay you back!. Thank-you from Rebecca and Les x

TALL SHIPS ADVENTURE!

A huge thank you to all the kind people who supported our sale of ice lollies at Maytime in the Square. Thanks to the generosity of the people of Aynho, once again, we have both managed to raise the total required for our Tall Ships voyage in June. In fact, we raised such a good sum from our ice lolly venture that we were able to help out some of our fellow crew members as well. We will let you know how the voyage went in a future newsletter but, for now, we no longer need to raise funds. Thanks again to everyone who supported us at Maytime, at our Coffee Morning, by ordering macarons from Sev or by giving Harry odd jobs to do ... we are very grateful.

Sev Young and Harry Leigh.

REMINDER of AYNHO HEALTH WALKS 10.0am Thursdays from the Pavilion – Small, Medium & Long Walks. We have two new qualified walk leaders to help out. **All queries to Keith McClellan on 01869-810346**

ARMS (Aynho Recorded Music Society) Wednesday 3rd June 7.30pm

Douglas produced a splendid programme comprising Bach's "Coffee Cantata" and an excerpt from "St. Paul's Suite" by Holst, these were followed by Mozart's "Piano Concerto 21" and a selection from "Tristan and Isolde" by Wagner. "The Trombone Sonata No.1" by Loeillet was the next piece played and one could never have imagined how such complicated musical phrasing could be given by a trombone. This was followed by Beethoven's "9th Symphony" and "Finlandia" by Sibelius, "Ave Maria" by Schubert brought the interval.

The second half a DVD of Lionel Bart's "Oliver" starred Ron Moody, "Picking a Pocket or Two" and Harry Secombe. Altogether a most entertaining programme.

Contact: Bob Mann 810264

PHOTOGRAPHIC SOCIETY – Wednesday 3rd & 17th June 7.30pm

The next meeting of the Society will be an outdoor photo-shoot for members in the grounds of Blenheim Palace, starting at 7.30pm in the "Black Prince" PH at Woodstock. Then, on 17 June, there is a Workshop on 'Digital processing and black and white photography'.

This meeting is at 7.30pm in the Cartwright Hotel, Aynho, and all are welcome to attend.

Contact: John Branton www.adandd.co.uk

AYNHO GARDENING CLUB – Wednesday June 10th

There are still a few places – not many – on the coach for **our trip to Warwick** to visit the Lord Leycester Hospital and the Mill Garden on **Wednesday 10th June**. If you would like to come along, please contact Jean Skuce, our visits organiser, on 810034. The cost of the trip is £20 (this includes a light lunch). Thank you to those of you who supplied plants and garden items for the Garden Club stall at **Maytime-in-the-Square**, thank you to the Committee Members who ran the stall and thank you to those of you who bought things from the stall – we hope your plants thrive!

In July our Gardening Club event is an evening visit to Janet Cropley's garden in Evenley, Hill Grounds, on Wednesday 10th July. Directions and details in next month's Newsletter.

Contact: Annabel Bellamy Tel: 810847 or Kath Arnold Tel: 811868

AYNHO HISTORY SOCIETY * Wednesday June 24th

"Magna Carta" – The Aynho Connection. Please come to the Church Fete on Saturday 13th June on the Sports Field 1.0-4.0pm just two days before this anniversary. The document will be freely available for you to look at in the History Society's display.

June Meeting: "Waterloo" – the crucial defence of Chateau Hougoumont.

*Please note this meeting will be held at The Windmill Centre, Deddington in conjunction with Deddington and Adderbury History Society.

Contacts: Rupert Clark: Tel:810603 ru.clark@btinternet.com Peter Cole Tel:811261

WOMEN'S INSTITUTE Wednesday June 17th 7.30pm in the Village Hall

There will be a talk on "**ALPACAS**" by Sue Watkins.

Tea Hostesses: Mrs.L.Burke and Mrs.D.Gibbs.

Contact: Barbara Watkins Tel:811152

KNIT & STITCH Tuesdays 2nd 16th & 30th 2.0 – 4.0pm at 2 Portway Gardens,

Contact Glenwys 810880 for any further details.

Aynho Conservation Area

What does it mean?

Is your home in the Conservation Area?

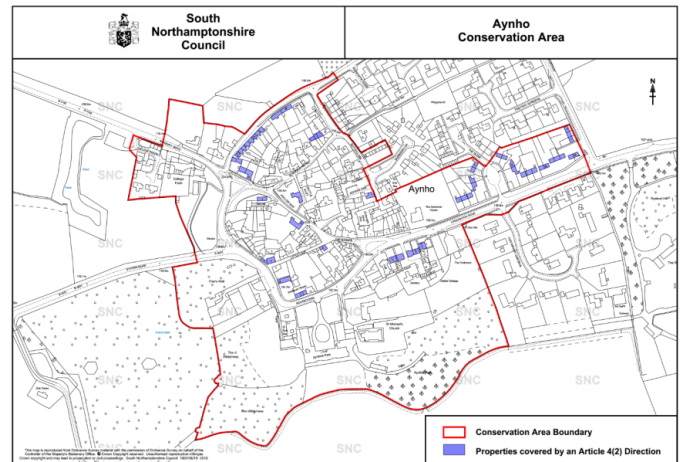

South Northants have recently reviewed the Aynho Conservation area.

After initial public consultation South Northamptonshire Council has now reviewed and revised the proposed boundary for Aynho Conservation Area. There are no major changes from the original and current conservation area boundary. The only proposed change is minor plot rationalisation at College Fields. The properties at The Glebe and College Fields will be reinstated after their initial proposed removal.

How Being in a Conservation Area Can Affect You

Although conservation areas mean some extra planning controls and considerations, these exist to protect the historic and architectural elements which make the place special.

They are most likely to affect owners who want to work on the outside of their building or any trees on their property.

Your House

Being in a conservation area whether your house also has a Grade I, II or II* listing might mean that your house is affected by special controls which restrict work you can normally do without planning permission such as building an extension, replacing a door or window or altering gutters and downpipes. These controls are put in place by SNC to protect particular elements of local buildings

Trees

If you want to cut down, top or lop any but the smallest of trees in a conservation area you must notify South-Northants planning authority six weeks before work begins. The authority will then consider the contribution the tree makes to the character of the area and if necessary create a Tree Preservation Order (TPO) to protect it.

Demolition

If you live in a conservation area and want to demolish all or part of your building, you will need Planning Permission. If the building is listed you will also need Listed Building Consent.

Who Do I Ask About Changes?

SNC will tell you what you can do to your home if you live in a conservation area. They will be able to say whether special controls are in place and explain what you may and may not need permission for.

There is a Conservation Area Appraisals for the Aynho conservation area. It outlines the history of the area and explains what makes it special. It also provides some general guidelines on managing and carrying out development in the conservation area.

To view the Conservation Area Appraisal go to....<http://www.southnorthants.gov.uk/5551.htm>

We will also post a link on the website

What is an Article 4(2) direction?

An Article 4(2) direction restricts development of properties without applying for the appropriate permission. Houses in the Village covered by an article 4(2) direction are shown in purple on the map.

For complete and up to date information refer to advice from South Northants Planning department but in essence permission may be required for a house with an Article 4(2) directive for work such as any extensions, changes to the roof or chimneys and painting the exterior, changing boundaries, adding a porch or satellite dish.

You can contact South Northants Planning department on 01327 322237
