**NOVEMBER**  
**2015**

**This is the month for**  
**'REMEMBERING'**

***ALL SOULS" NOVEMBER 2ND***

To remember all those loved ones who have departed this earthly life.

*(Service at Evenley Sunday November 1<sup>st</sup> 6.00pm)*

***"GUY FAWKES" NOVEMBER 5TH***

Remembering the man who failed to destroy the Houses of Parliament 410 years ago!

***"THE TWO WORLD WARS" NOVEMBER 11TH***

Remembering all those who gave their lives to save our country and give us a peaceful land to live in.

*(Service at Aynho Sunday November 8<sup>th</sup> 10.15am)*

### **From your Rector: November A Month of Special Services.**

It starts with a special Service of All Souls on **1<sup>st</sup> November** when we remember our loved ones departed and light a candle for them. The theme of candles is continued through the month with the weekly evening candle prayer service. **November 8<sup>th</sup>** sees our communities gathering around war memorials as we remember the fallen, those who gave their lives for others.

A special family service will take place on **November 15<sup>th</sup>** at 4pm at Saint Michael and All Angels church **Farthinghoe** where we will be blessing our Christmas Cribs before they start their journeys around our villages on their way to our Christmas Crib services. If you have a Christmas Crib, you are invited to bring it to this service for a blessing. During the service we will also be making Advent candle wreaths in preparation for our count-down to Christmas. During Advent, the 24 days before Christmas, the blessed cribs, also known as the 'Holy Family', will be traveling around various homes in our villages. Here they offer your family a chance to be part of the Christmas preparations, echoing the journey Mary and Joseph took on their way to Bethlehem. The end of their journey in our parishes are special family services on Christmas Eve, more details next month.

If you would like to offer the 'Holy Family' a room for the night please let me Simon (01869 810903), Shemil 07401 587151, Carrie O'Regan (01280 702300) or \*Helen Boswell (see below) know before 22<sup>nd</sup> November so their route can be planned.

On **22<sup>nd</sup> November** we will be holding our annual 'Toy' service at 11am in Evenley. Each year we collect toys for children's centres in Banbury which support families with young children in the local area. Many of these children will receive few gifts for Christmas and our donations are used for presents and in the play areas of the centres. New or used toys, games, books, DVDs for babies and children (up to aged 10) in **good working order** are gratefully received. **We cannot accept any soft toys thank you.** Donations may be brought to the service in Evenley or contact Carrie on 01280 702300, [carrieoregan1@btinternet.com](mailto:carrieoregan1@btinternet.com) for collection.

Advent Sunday **29<sup>th</sup> November** sees the start of the new churches year as it counts down to Christmas. This will be marked with a special Advent Carol service at Aynho. This will be a service of Advent Carols and Readings in candlelight enhanced by the support of the Benefice Festival Chorus. This is a new venture this year and I would want to encourage everybody to come and enjoy the celebration.

### **Unique Fair Trade Advent Calendar opens window of opportunity**

The Real Advent Calendar is a fun way for parents, grandparents and Godparents to share the Christmas story. The calendar comes with a free 32-page Christmas story activity booklet illustrated by Sophie Allsopp and designed to be used every day in Advent.

Behind each of the 24 windows there is a Fairtrade chocolate star and a few words from the Christmas story. As well as celebrating the true meaning of Christmas, the calendar makes a charity donation, from every sale, to Traidcraft Exchange and the Funzi & Bodo Trust.

The picture on the cover is a beautiful illustration of Jesus, Mary and Joseph travelling together. It reminds us that all families are on a journey of discovery together in the season of advent. The accompanying booklet, which has a page for every day of advent, has a traditional nativity scene as the last illustration but the sense of travelling together is summed up by the first image and the calendar cover as families make their journey through advent.

We would love you to help someone celebrate the real meaning of Christmas this year by giving them a Real Advent Calendar.

The Real Advent Calendar is available directly from our on-line shop, from larger Tesco stores and select retailers. Supplies are limited so buy early. <http://www.realadvent.co.uk/>

### **CANDLE PRAYERS**

Candle Prayers simply means your local church will be open from 7:30-8:00pm, lit with candles, giving you the opportunity to come and enjoy the peace of these special places. You may want to light a candle for somebody or a situation, or just sit on your own for a few minutes.

At 7:30 there will be a short opening prayer for those who want to join in followed by a time for personal space, then at about 7:50 there will be a short quiet closing prayer for those who want to join in. You are invited to come for as much or as little as you like, I just want to offer you some peace and space for prayer, private reflection or just enjoying the beauty of the place.

\*In Aynho during December a colourful wooden Christmas Crib with all the figures of the Nativity can travel from house to house. This set is particularly suitable for children aged 1 -11. They are encouraged to play with the figures as they set up the scene.

If your children would like to offer the "Holy Family" a room for a night or two in December then please contact Helen Boswell tel. 01869810224 or [boswellhd@btconnect.com](mailto:boswellhd@btconnect.com) by November 23rd so that a rota can be arranged.

*Church News cont/* **MANY THANKS** to Barbara Watkins for organising the Craft Fair and raising over £700 towards the church window restoration fund.

**AN OUTSTANDING EVENING** of Handel's music presented by Fiori Musicali was enjoyed by those who attended at the church. Although the events main aim was to bring top class music to Aynho over £200 was raised through ticket sales and donations.

*Help the Syrian Refugees* - **BARNABAS FUND** (supported by Aynho Church Council) has formed **OPERATION SAFE HAVENS** which finds countries willing to provide visas for Christians from the Middle East to settle and become self-sufficient. It flies refugees to places where they are welcomed by communities and churches. For example – 157 Syrians recently settled in Poland. The fund assists with basic needs. Is this an opportunity for you to give some help to deserving refugees from the Middle East, thus helping them to avoid people traffickers and an uncertain and dangerous future? On Sunday November 1<sup>st</sup> there will be a collecting bowl at the back of the church – or contact me – Anne Usher 810673. (Also see display on notice board in the porch.)

### **THE BIODIVERSITY GROUP**

This **November 5th please think 'HEDGEHOG'** and check your bonfire very carefully before lighting it or, better still, build your bonfire on the day! Thank you.

### **The Common Toad**

Common toads vary from dark brown, grey and olive green to sandy-coloured. They have broad, squat bodies, a warty skin and tend to walk rather than hop. They are widespread throughout mainland Britain living in and around damp areas in gardens, parks, scrubby areas, woods, fields and ditches. They are creatures of habit and can often be found in the same place again and again, however, because they blend in with the background and can remain motionless for hours they are difficult to spot. They live solitary lives only coming together for breeding in March when they will frequently walk long distances so they can return to the ponds they developed in themselves. The female lays double strings of eggs (up to 5,000 of them) which are fertilised by the male as she lays them. These hatch after about 10 days and the tadpoles then metamorphose into tiny toads (toadlets) over the next 2 months. Toads are nocturnal, foraging for prey at night and spending the day in a small hollow they excavate. They eat flies, insect larvae, ants, spiders, slugs and worms while larger toads may take slow worms, small grass snakes and harvest mice. They do not have teeth so swallow their prey whole. As a defence against predators toads stretch out their legs and inflate their bodies to make themselves look as large as possible. Tadpoles, toadlets and toads also produce a toxic, foul tasting substance through their skin which is enough to put most predators off although grass snakes and hedgehogs are not deterred. Common toads hibernate in October, typically under deep leaf litter or in logs, drainpipes or burrows and occasionally in mud at the bottom of a pond, although they tend to live away from water for most of the year. Although still common their numbers have recently fallen (it is thought up to 20 tons are killed on the roads every year) and they have been included as a Biodiversity Action Plan priority species. They can live for up to 40 years.

### **Did You Know?**

- The colour of the toad varies according to the colour of the soil in its habitat.
- A toad stalks its prey until it is close enough to shoot its sticky tongue out and catch it. To help swallow its food, it blinks to push the food down.
- Male toads croak and produce a high pitched 'qwark, qwark' sound when mistaken for a female by another male. Females make no sound at all.
- A toad sheds its skin regularly and then eats it.
- Handling toads with bare hands is not recommended.

How often do you get a letter through the post with a stamp? If and when you do, and am sure you will at Christmas, then please cut off the stamp, with no more than 1cm around each one, and drop them off to Marlene at 10, Portway Gardens, or Sybil at 32, Roundtown and they will be taken to Katharine House Hospice. Each kilo collected is worth £11.00. It does take a lot to make up this quantity but if we all do it -every little helps! Also received - foreign currency and old greetings cards.

**ARMS (Aynho Recorded Music Society)      4<sup>th</sup> November 7.30pm Village Hall**

Unfortunately the usual commentator on our music programme was “out of sorts”. However several people contributed opinions with the following comments.....

delightful, informative, versatile and imaginative.      The evening started with Beethoven’s “Pastoral Symphony”, then a complete change featured The Seekers with three of their well known pieces. Schubert followed with the second movement of “Symphony No.2” and Mascagni’s “Cavalleria Rusticana” bringing the interval.

“The Litolff Scherzo” livened up the second half and was followed by “The Swan” by Saint-Saens. Scott Joplin gave “The Maple Leaf Rag” an airing and the evening was rounded off by extracts from “High Society”. Well done Robert, aided of course by Doris.

For our final meeting of the year, on Wednesday 11th November, we will be starting with a short AGM to keep you informed about matters regarding your Aynho Gardening Club. There will then be a Gardening Quiz – not too highbrow - just a bit of fun! This will be followed by the usual buffet with time to enjoy a chat with a glass of wine. We would be very grateful if you would bring something to add to the table; wine will be provided. Entry is £1.00 for the evening - please note that the starting time is 7.30pm. We are always looking for new Committee Members – the present Committee works hard to deliver a varied programme for the Club during the year and extra help would be very welcome. If anyone has something to raise at the AGM - please contact Annabel on 01869 810847.

October's meeting produced some very enjoyable stories of sports cars and other vehicles before a tasty lunch and a fascinating presentation about Oxford Writers with a journey through the city along the Thames. Needless to say Alice in Wonderland featured strongly. This month we hear "two things to do before we die" or "the best thing we have ever done"! We would welcome more members, so feel free to come along and enjoy the stories and decide if you'd like to have a go. Check website for a taster.

The long walk hit a high on Oct.8<sup>th</sup> with 21 walkers, and there were plenty on the medium and track as well. The refreshments at the Pavilion are special, and, I will let you into a secret, you don't have to go on a walk to enjoy them. Just stroll over to the pavilion mid morning on a Thursday for a coffee, tea and delicious cake. You can be sure of a warm friendly welcome and a good chat.
