After hearing Cllr Burge's report it was agreed that the following response would be sent –

APC have no objection to this application however, it is unfortunate that the work was carried out on this listed wall without consent. We are pleased to see an application has been made to reinstate the wall. We would like the following conditions to be added to any permission.

The original stone should be reused and laid to match existing i.e. Dry stone walling.

SNC should ask for a sample panel to be approved before full reinstatement.

SNC are recommended to add a condition that the temporary access drive is fully removed and the field is fully reinstated.

#### **4. Insurance Policy**

After reviewing the insurance quotes it was agreed the Hiscox one would be taken up.
