Palm Sunday 25th March

Palm Sunday marks the start of Holy Week. This year we start our Palm Sunday procession at 10am from All Saints School in Croughton, with the blessing of our Palm crosses. We will then process the short distance to All Saints Church, the service will start when the procession arrives. At church, in the context of a Communion Service, we hear again the telling of our Lord Jesus Christ's triumphal entry into Jerusalem, remember his last supper and passion, before spending the next 7 days of Holy Week in our final preparations for Easter.

Compline Services

The Compline Service is a short service of Night Prayer or Prayers at the End of the Day. It's the final short, said church service of the day. The English word *Compline* is derived from the Latin *completorium*, as Compline is the completion of the working day. (see Service Sheet)

Maundy Thursday 29th Maundy meal at Aynho Village Hall

This is the day that Jesus shared his last supper with his disciples and when he was then betrayed and arrested. This year we will remember and re-enact that last meal in an extended Eucharist or Maundy meal. This combines a simple 3 course meal with a Communion or Eucharist following Jesus' command to "do this in remembrance of him". There will be no charge for the meal, but there will be an opportunity for donations, however, for catering numbers ***Please sign up on the lists in church or email me the.revd.simon@gmail.com or phone 01869 810903.***

Good Friday 30th

The day on which Jesus was crucified, not for anything he had done, but for all the wrong we have done. He was innocent and yet paid the price for human sin. It is 'good' because through his death Jesus removed the barrier that separates us from having the right relationship with God. His death is remembered in the Cross of Hot Cross Buns and in our services at church.

Services suitable for all ages will be held in the morning and a more reflective service "An Hour at the Cross" will be held at 2pm at Hinton-in-the-Hedges on Good Friday afternoon.

Happy Easter

The day of resurrection, the raising of Jesus from death, just as he had promised. Jesus' resurrection gives everybody who believes in him the hope of life with him, in this world and the next. Come and join the celebration of this Good news.

If there is no Easter hope then what hope do we have?

Church Membership & Electoral Roll

The Church of England is a legal body covered by The Church representation rules. This means that the church has a membership list that allows the members to vote on political and religious matter within the church structure.

Official membership has no cost but the applicant must be:-

1. baptised
2. over 16 years of age and
3. must be one of the following: (a) resident in the parish; (b) habitually attend the parish church for at least 6 months; (c) be a member of a church in good standing with the C of E.

To me the Churches Electoral Roll is much more than a list of names, it is also for me a means of communicating with the whole church body in any village. I would ask that if you come to church and can fulfil the above requirements that you please complete an application form that can be found in church or from your local representative shown below. If you cannot fulfil the above requirements it doesn't mean you are not welcome, for all are welcome. It just means it would be good to have a chat with me to see what we can do.

Our official annual revision will take place shortly but you can be in touch with the Electoral Roll officer at any time. **For Aynho: Kathy White Revision 22-30th March.**

Holiday Club 2018

Holiday Club 2018, 'Rocky's Plaice' will run from Monday 23rd July each morning for the week at All Saints Primary School, Croughton. If you are able to help at holiday club please contact Carrie O'Regan (01280 702300) or Helen Boswell.

The first planning meeting will be on Monday 19th March, 7.30pm at Lower Aynho Grounds.

Annual Parochial Church Meeting

For the election of Church Wardens and PCC members
19th April Aynho

The time after Easter is also the time when the church elects its representatives to help run the church. Two very important roles are played by the Church Wardens who are elected on an annual basis. The Rector and they are supported by The Parochial Church Council (PCC) who look after the general running of the Church and oversees the finances. The PCC consists of various members; the Rector; the Readers; 2 Church Wardens; Deanery Synod Representatives; and 6 or 9 other

Members. Elections for all these offices take place in April by members on the Electoral Roll at the Annual Parochial Church meeting. Now is the time to look around to see who you will elect. Have you thanked your PCC and wardens and Rector for all they have done this past year? Have you asked them if they will stand again or are a new pair of hands needed?

It is in your hands!

All for your entertainment.....

ARMS – (Music Group) Wednesday 7th March 7.30pm in the Village Hall

Our February meeting was a complete departure from our usual programme with everybody contributing their particular favourite musical offering. Margaret started with a delightful choice, followed by Douglas, Hazel and Lee. Doris contributed a waltz and Joyce was followed by Val & Lee. Bob presented the finale. It was a very enjoyable evening with far too many items to be reported adequately. This month we look forward to a presentation by Gill & John Phillips. **Contact: Bob Mann 810264**

WRITER'S GROUP – Saturday 10th March 10.0am-12.30 in the Village Hall

Last month we were entertained by incidents invoking "Late again" and by "Two points of views on the same incident". This month we look forward to

"The Stately Homes of England" or "Being a Teenager"

***AYNHO GARDENING CLUB -**

On **Wednesday 14th March** we are off to John's Garden and the Ashwood Nursery – hopefully the weather will have warmed up a bit by then and all the spring flowers in John's garden will be in bloom and his garden should be looking a picture. As those of you know who have been before, there is a very good Nursery as well as a restaurant serving delicious lunches. The cost of the trip is £20 so do get in touch with **Jean Skuce on 810034** to book your place on the coach. The coach will be leaving Aynho promptly at 9.30am. It should be a lovely day out.

AYNHO W.I. – Wednesday 21st March 7.30pm in the Village Hall

Unfortunately we cannot give thanks for our Hedgehog talk in February – which we hope you all enjoyed – as dates make it difficult to meet the printing deadline for the Aynho News, but we can tell you that at our next meeting Mr Lee Butler, a University Lecturer and Practitioner of Traditional Chinese Medicine will be coming to talk about his philosophy which sounds very fascinating and will probably keep us spell-bound (if that is the right word!) We will continue to re-new membership and will be accepting new ones – and guests, at only £3 per visit – to experience the friendliness, involvement and fun of the W.I. Look forward to seeing you on the 21st.

## A word from your Parish Council about Farm Liaison

Following several recent conversations with villagers about the fencing off of fields down Green Lane and the noise from bird-scarers, we have made contact with the farm manager for all the fields farmed north of the village boundary down Green Lane. The farm manager of Astrop Farms and Councillor Anderson had a long and constructive conversation. They are frustrated with the public walking on fields that do not have official footpaths. The grass margins are environmental features to provide habitats for wild life but are not effective if constantly walked. This is the reason that the entrances have been fenced off. Staff have been abused when spraying fields (they must stop when seeing a member of the public) and they have had bird scarers vandalised causing several hundred pounds of damage. You can see the relationship between the farm community and public has deteriorated though there had not been any problems with Aynho residents specifically.

Councillor Anderson pointed out that some official footpaths were either not signposted or not instated due to ploughing or crops growing. In the case of the latter, walkers are permitted to walk around the field margins.

In order to help the farming community, it would be appreciated if residents can help by:

- Keeping to official footpaths where possible.

- Alerting Aynho Parish Council via the Clerk to any suspicious or anti-social, damaging behaviour seen on farm land so we can inform the farmers. This would include trail bikers, cars driving on BOATS (byway open to all traffic) and horses not being on official bridleways.

If you are walking and see a farmer spraying the crops please try and remove yourself from the vicinity as soon as practical so they don't have to stop their work.

If you do encounter a farm worker, please do not antagonise them while they are trying to work. Please be supportive and declare yourself an Aynho resident who is supportive and hopefully our campaign will be a model for other villages in the surrounding area.

The issue of bird scarers was also discussed and there are several placed in the fields to deter pigeons from eating the newly sprouting rape. These are placed well away from official footpaths although their noise is still significant and does scare some dogs. They are set to go off every 60 minutes from dawn to dusk. If you feel their noise is becoming intrusive then let APC know and we can make representations to have them re-directed.

Having opened a line of communication, we will now work to improve understanding and co-operation with local farmers. APC had, for many years, a farm representative on the Council and organised summer farm walks where villagers could meet farmers and discuss their work. It is our aim to continue to work with the farming community to re-build lines of communication and mutual understanding and in 2019 re-instate a farm walk.

## BIODIVERSITY GROUP: Insect of the Month

### The Brimstone Butterfly

Brimstone butterflies are a medium-large butterfly with leaf shaped wings. The males are lemon-yellow whilst the females are a very pale green. Both have a small orange spot on each wing. In April or May they lay their eggs on buckthorn or alder buckthorn shrubs. They are laid on their own which is unusual as most butterflies lay their eggs in clusters. The caterpillars emerge two weeks later and spend most of the next four weeks eating and shedding their skin - four times in all. To pupate they move away from their food source forming their chrysalis, which looks like a curled leaf, on a nearby plant. It takes about two weeks for the caterpillars to transform into butterflies so that the adults emerge in late July or early August. They all then go on a feeding frenzy building up their fat reserves ready for winter. By late September they have disappeared, hibernating amongst ivy, bramble or holly leaves. The following March they begin to emerge on warm, sunny days and it is now that the males start looking for a female to mate with. They have the longest adult lifespan of any UK butterfly, nine to ten months, so even though they only have one brood annually they can be seen for most of the year. They are widespread across most of the UK and can be found in almost any habitat from woods and chalk downlands to gardens.

### Did You Know?

- Brimstone butterflies have a very long proboscis enabling them to take nectar from plants such as teasels and runner bean flowers which are beyond the reach of other butterflies.
- The green caterpillars can adjust their colour to match the leaves they are feeding on.
- They are strong flyers and especially in the spring may travel some distance in search of a mate.
- They are the first butterflies to appear after the winter.
- In spring they feed on the nectar from dandelions, primroses, cowslips, bugle and bluebells.

**AYNHO HEALTH WALKS** continue as usual in all weathers - from the Pavilion every Thursday at 10.00am. Three levels - Track., Medium & Long. Qualified leaders for each walk. Refreshments and light lunches are available after the walks.

**“AYNHO PARK” CLUB DRAW**

Don't forget, there's still time to pay your subscription to this year's A.P.C.D. All are welcome, villagers and non-villagers alike.

As always it is a small yearly subscription of £12, which entitles you to an entry every month from which you might win a monetary prize. This is dependent on the number of entrants per month, so the more of you that play the greater the possible winnings.

Last year's prize-money per month was a massive £85! The draw takes place at the monthly Parish Council meeting to ensure fairness.

Along with this, all entrants win in a broader sense, as the prize money section of takings go totally towards the upkeep and maintenance of the Sports Pavilion and field. This year the Parish Council via Aynho Active have plans for re-decoration, plus some electrical and joinery works to bring the Pavilion back up to scratch, so all funds would be very welcome.

The most convenient way to play is via online banking, either a one-off payment or a direct debit. It is very quick, so go on, why not do it right now? Then you can sit back and relax, whilst imagining what you might treat yourself with, should you be lucky enough to win.

Some of you have set up direct debits, which are ideal, for which we thank you. However, if you are unsure whether your previous year's payment was a one-off payment or a direct debit, please check, as it would be a shame to miss out.

**Our banking details are:**

**Lloyds Bank plc Aynho Park Club Sort Code 30-11-08 Account No: 00467143.**

If you could let us know via email at [active@aynho.org](mailto:active@aynho.org) that you have made a new bank transfer then our loyal band of collectors will be able to cross you off their lists.

Obviously, you may prefer to pay via cheque or cash, and we will be happy to come and collect it from you, just email us.

Again, thank you for your support, and wishing you the best of luck.

Remember, be in it to win it! Rachel & Valery.
