## Rectors Ramblings

Time is going fast, as I write these ramblings I am 1/3<sup>rd</sup> of the way through my sabbatical study leave. By the time you read them it will be over 1/2 way. Sir Isaac Newton said time was relative and  $e=mc^2$  and a lot of other things and I have had some time to reflect in my travels. Most of this has been unplanned time with delays at airports and pickups a common occurrence. However through this I wonder if I should be learning to be more patient, maybe this is what God wants me to learn, to do things in His time and in His way rather than my own.

During these months we are taking advantage of the opportunity to invite some guest speakers to come to our services. This has been a habit and practice at our summer sermon series at St. Peter's Steane for some time, where at a traditional Evensong we have listened to a guest speaker. This month we are looking forward to hearing the Rev Eddie Smith come and share with us. Some of our readers will remember that Eddie was a curate here some years ago before I came, and it is lovely to welcome him back again. We will also be looking forward in September to hopefully hearing from the Gompertz in what has become their traditional September slot. If anybody doesn't know who they are - Peter Gompertz was Rector here before Gill Barker.

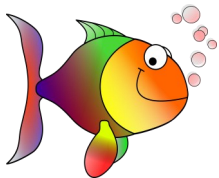

We are also now inviting some guest speakers at our Sunday morning services on the third Sunday of the month. We have heard from Bob Forster from Tear Fund in June and from Katie Jenkinson from the Church Mission Society in May. This month we look forward to hearing from Samantha and Ian Turvey— and the work they do with the charity World Vision. I hope in the busy time of summer that you might be able to make a little time to come and join and hear what they have to share.

\* Talking of time I want to thank Helen and Carrie and their team of helpers who have given of their time in preparation for our summer holiday club for children. This takes place at All Saints School Croughton from 23<sup>rd</sup> July – 27<sup>th</sup> July ending with a special celebration service at Croughton Church on Sunday 29<sup>th</sup> July at 10am. My thanks also go to all who will be helping during the week and making the Christian holiday club possible and for all who give of their time to help the many activities taking place this summer.

See you in August      Simon

### FETE - THANK-YOU

Thank you to all those who so generously gave bottles for the Tombola and the wonderful cakes for the Cake Stall – between these two stalls we raised £1,300 toward the net grand total of £8,600 from the Fete – a truly magnificent effort from all those who gave their time and support, and to all those who came and took part in the fun and games.

In particular to James Perkins for allowing us to use the grounds in Aynhoe Park for villagers and visitors alike to enjoy themselves.

This next month we will hear about “the character I would like to be in a film, book or play” or “forging someone's signature for good reasons” “What good reason?”

If you would like - do come and listen and see what you think!

**AYNHO W.I. –**

**Wednesday July 18<sup>th</sup> 7.30pm in the Village Hall**

Aynho Fete was just wonderful and enjoyed by everybody, even the dogs, who were probably hopeful of tasting the many fabulous cakes on the W.I. stand. So our thanks to the organisers and many hard working volunteers for the opportunity to be part of a very successful event. Our thanks also to Steven Bruce for his fascinating talk in June on the important facts we should all be aware of when asking for help of an auctioneer and/or a valuer, and describing the circumstances encountered over his 55 years experience of several articles he brought with him. No doubt we have all seen those programmes on T.V but now we really understand better!

Our next event on July 18<sup>th</sup> is our annual Garden Party, though the word “annual” could be questioning as last year it was rained off. Judging by the weather so far let us hope it continues so we can welcome members to the lovely garden of Val Swann.

## **Important information about our Community Defibrillator and Deddington Surgery**

At the recent Community Health and Wellbeing Day, South Central Ambulance services provided demonstrations of how to perform CPR and the use of a defibrillator. There appears to be some confusion about how and when to use the defibrillator unit on the outside of the village hall. To clarify, this unit can only be accessed by a code number. This is to prevent theft and inappropriate use as defibrillation is not applicable in all cardiac events. If you call 999 or 111 to report a cardiac arrest, the location of the Aynho defibrillator will be seen by the controller and, if collection and use of the unit is deemed appropriate, the opening code will be provided. Once electrodes are applied to the patient, the unit works automatically to determine whether a shock is required. We are investigating a community support system to assist with collecting the defibrillator when there is no one else to do so. Councillor Anderson has been appointed Chair of the Patient Participation Group (PPG) for Deddington surgery. Andy is looking for one other voluntary person from Aynho to join the group. Members are requested to attend and contribute to regular PPG meetings and are advertised on practice noticeboards. The PPG aims to ensure that practice decisions are influenced by patients and carers and we want to enable them to participate in the work of the practice. Representatives, who should be a current patient or a carer of a patient who is registered with the practice, need to approach the role with objectivity, tact and diplomacy, drawing on and using their own experience to inform discussions and decisions, in a manner that is mindful of the priorities and concerns of all patients. For further information please contact Andy on 0330 113 6008 or Deddington Surgery [admin.deddington@nhs.net](mailto:admin.deddington@nhs.net).

## ***FROM YOUR PARISH COUNCIL.....***

### **499 Bus Service: From July 21<sup>st</sup> the bus service will cease running.**

At our recent Annual Village meeting Aynho's Northamptonshire County Councillor, Rebecca Breese, explained the financial predicament of NCC has resulted in their decision to remove the bus subsidy and close the service on 21<sup>st</sup> July. Aynho Parish Council along with other affected parish councils have fully examined whether an alternative service could be created but, having received tenders from local bus and coach companies, the costs have proven to be prohibitive. Further discussions on a very basic service of one bus in and out of Banbury continue, although this too looks to be both unaffordable and impractical as a service. Further details will be available on our web site shortly.
