

**Give children a firework night to remember...**

**...not one they will want to forget.**

- Sparklers burn furiously and are not suitable for children under five
- Don't drink alcohol if setting off fireworks
- Always supervise children around fireworks
- Never throw fireworks or put them in your pocket
- Only buy fireworks which are CE marked
- Keep a bucket of water handy
- Make sure everyone stands clear of fireworks
- Never return to a lit firework
- Fireworks cannot be purchased by under 18s
- Light fireworks at arm's length, using a safety firework lighter or fuse wick.
