It is a great pleasure for me to be writing my 1st pastoral letter. To begin I want to offer my very grateful thanks to everyone who was involved in, or attended, my Installation on March 30th. It was a wonderful day, and the welcome and hospitality that was offered on the day was truly outstanding, thank you all.

To give you some background information; I have been married to Nic for 32 years and we have two wonderful sons, Christian and Matthew. I have enjoyed two careers already before becoming a Priest. My first was as a hairstylist, a career I loved, and which I often compare with my role as a Priest; I held as many peoples secrets and troubles then, as I do now. And later I worked in care for the elderly, eight years of which were spent as an Activities Coordinator in a Care Home. These careers I enjoyed very much and helped to shape me for my work now. We are well into Spring now, and enjoying the longer days and warmer weather. But it struck me again just how quickly time flies. It is said that time flies when you're having fun, so I guess I must be having a whale of a time!!

Having just enjoyed another Easter, I reflected on how many children and young people have no real knowledge of who Jesus is. They can tell me about the Easter bunny, but don't really know much about Jesus. Even amongst adults there is sometimes a big gap in peoples understanding of who Jesus is. Christians believe that Jesus is the Son of God, and that God sent Jesus, his own son, into this dark and troubled world to show us another way to live, a better way; you might even say a simpler way. Jesus himself said "*The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.*" (John 10:10 NIV)

There are many things in modern life that rob us of our time, energy and resources, and things which suck the life out of us, even good things can do this unintentionally. We live our lives at such a fast pace that days, weeks, months, and even years fly by at the rate of knots, and all the while we just want to slow the world down and take life at a slower pace so that we can enjoy it. Many folk I speak to are retired, or are supposed to be, and the comment I hear time and time again is that they are so busy now that they don't know how they ever found the time to go to work!

Whoever we are, and no matter what stage of life we are in, God loves us and wants us to enjoy life. He wants to be part of our daily lives and he wants us to come into a relationship with him, so much so that he sent Jesus to prove it. Life is a gift. Every day is a gift; it is a gift from God to you.

"I have come that they may have life, and have it to the full." God bless you. With love Rev Sue Cooper.

The Churches of The Astwick Vale Benefice invite you to come to one of our Churches to join us in prayer. Using The Lord's Prayer as our focus, we will be joining a Church of England initiative for prayer, covering the 10 days between Ascension day and Pentecost beginning on Thursday 30th May – Sunday 9th June. There will be services of Evening prayer throughout the Benefice on the following days: All at 7.0p.m.

Thursday 30 th May: Hinton	Friday 31 st May: Aynho	Monday 3 rd June: Evenley
Tuesday 4 th June: Croughton	Wednesday 5 th June: Farthinghoe	Thursday 6 th June: Hinton
Friday 7 th June: Aynho		

Please do come and join us as we join together with many other people and places across the land as we seek renewal for ourselves and for our nation, and for the world.

'THY KINGDOM COME, THY WILL BE DONE'

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name; Thy kingdom come; thy will be done; on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil. For thine is the kingdom, the power and the glory, for ever and ever. Amen.

ARMS –

Wednesday 1st May 7.30pm

Ian stated in his opening remarks that the first half would be serious and educational – and so it proved to be, what he did not stress however was that it would also be enjoyable and so it was, the audience were totally involved. The subject was the immense Cathedral organ at Liverpool. We were regaled with visual demonstrations of the musical capabilities of this mighty instrument, which could replicate sounds from Piccolo to Bassoon, Trumpet to French horn and Violin to Bass. The second half returned to our usual mode involving Tchaikovsky “Nutcracker”, Verdi “Aida”, the impetuous notes of “Bolero”, Prokofiev and a variety of singing from local children’s choirs. A thoroughly enjoyable session – a hard act to follow.

Thanks Ian.. and also Douglas for his technical assistance.

At the May meeting Douglas is presenting his usual eclectic mix of classical and popular music. Hope to see you there.

W.I. –

Wednesday May 15th 7.30pm

Our Fashion Talk last month was really informative and so interesting; the Beautifully Different team are so enthusiastic about their clothes and accessories that our tedious task of knowing “what to wear with what and when” now seems much more fun. So those who unfortunately couldn’t make it missed a great evening – definitely recommend a visit to their shops. Our next meeting will be to discuss the Resolutions that the National W.I. will be discussing at their future meeting in the summer. Not taking the whole evening, so we will be taking a trip “Down Memory Lane” by sharing members’ memories stirred up by a particular time of their past – an object or a photo which we ask our members to bring with them – or just to share a memorable occasion. Should make an interesting and amusing evening – so look forward to seeing you then.

Please come along and support this annual tradition. This might be the last opportunity to accompany the cheerful procession to the Village Square and enjoy the music as the Charlton Cherries dance around the Maypole.

Indulge yourself in the WI's wonderful homemade cakes at the Village Hall. Have a browse through the gifts and craft stalls. Get bargain plants and flowers from the Gardening Club.

To book your own stall contact Kay Anderson via Aynho Community Facebook page or ring 0330 113 6008.

If you would like to see this tradition continue please get involved and contact me on: sepanka@aol.com. Volunteers still need for Morris and Maypole dancing and general help on the day.

Thank you Stepi Bradford

BIODIVERSITY GROUP **WARNING**

The Blandford fly is on its way. Since March the larvae have been clinging onto the riverside plants and clearing the water by filtering out the food particles. Now, however, as May approaches the adults are ready to take wing and the females are after a blood meal so they can mate. Unfortunately many people suffer a severe reaction to the saliva which may vary from pain to swelling, blistering, a high temperature or joint pain and medical advice may be needed. They tend to fly near to the ground and legs are a particular favourite of theirs although they can bite

anywhere. Not only will they be with us through May but into June and July as well. So slap on the insect repellent and cover up.

An Invitation: On Monday 20th May one of our Aynho residents—

Alan Reason of The Glebe—is celebrating his **90th Birthday** and is holding an Open House, inviting friends and neighbours to join him, from 2.0pm onwards. All welcome.

AYNHO—Park Club Draw.

The lucky winner is Stella Krajewski.

Remember winners get £82 this year. You need to be in it to win it.
