## Section 3 – External Auditor Report and Certificate 2018/19

In respect of

Aynho Parish Council NH0013

### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- The Council confirmed that the Section 2, Box 9 figures had been written into Box 8 in error. Box 8 for the prior and current years should read £39,232 and £40,722 respectively. Box 9 for the prior and current years should read £137,135 and £137,737 respectively

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Boxes 4 and 6 of Section 2.

The smaller authority has confirmed that it has not complied with the governance assertions in Section 1, Boxes 1 and 5, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified. These disclosures are supported by the internal auditor's comments in his reports. We note that the review of risk management arrangements has been undertaken since the year end.

In their detailed report, the internal auditor has drawn attention to a significant weakness in relation to the clerk's contract of employment. The smaller authority must ensure that action is taken to address this in a timely manner.

### 3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
