

## Section 3 – External Auditor Report and Certificate 2019/20

In respect of **Aynho Parish Council - NH0013**

### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2019/20

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

- In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to the following issues:
  - As a result of the bank branch closures the smaller authority paid receipts into a personal bank account for immediate onward transmission to the authority's bank account. In doing so the smaller authority has failed to consider the risks associated with this process. For this reason, the internal auditor responded 'No' to Internal Control Objectives B and C and the smaller authority answered no to assertion 5 in the Annual Governance Statement.
  - The need for the smaller authority to enhance the level of independent scrutiny within their internal controls system. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

### 3 External auditor certificate 2019/20

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
